Hi Ken,

Yes, we can chat.

How does 1:30 work for you?

Hi David,

I would like to speak with you today if possible. We have many comments how Class I will stop everything like wood stove use, brush pile burning, and road sanding based on bad information distributed on Facebook by a local County official. I know how I would answer, but we are meeting with Tribal Leaders tomorrow and our Department needs to speak with absolute certainty.

Thanks --Ken
